In-Kind Donation Wish List

Your generous donation of goods or commodities will help support the Nurse-Family Partnership Program of the YWCA of Metropolitan Dallas.

Following is a list of requested items:

Art, photographs, oil paintings, and sculptures. If you have a favorite artist, commission a work. If you are an artist, please consider donating one of your works.

Baskets of items built around a theme are very popular. “A Night at the Movies” might include a video, a book about the movie’s subject, a gift card from a pizzeria, a T-shirt, toy, video game, etc. — all based on the theme.

Certificates for restaurants, massages, manicures, pedicures, golfing, dancing, wine tasting, photography, horseback riding, or any number of fun activities are appealing to a wide range of people.

Destination packages at resorts and spas can be the ultimate getaway. Everyone likes to get away for a break.

Event tickets for sporting activities, concerts, symphonies, and theater, are always popular items. Consider donating the use of a suite at an event.

XYZ Other great ideas include luxury items for men, women, children, and pets; jewelry; airline tickets/vouchers; and other services, like a catered dinner party or a house cleaning.
